RE: AB 2256 – Sheriffs: Service of Process – SUPPORT

Dear Governor Brown:

On behalf of the members of the California Apartment Association, I am writing to request your signature on AB 2256, a measure that will help improve the service of process by local Sheriffs.

Sheriffs and the service of process play an important role for the rental housing industry. It's important to ensure that Sheriffs have adequate resources and funding to keep tenants in our communities safe.

CAA hopes that the fee increases in AB 2256 will not only improve service of process operations, but also expedite them and prevent further delays.

The California Apartment Association is the largest rental housing organization in the nation, representing owners and property managers who together operate more than 2 million units statewide. We thank you for your consideration on this important measure.

Sincerely,

CALIFORNIA APARTMENT ASSOCIATION
