**Re: AB 1401 (Maienschein) - Juveniles: protective custody warrant.
As Amended April 19, 2017 – SUPPORT
Set to be heard June 27, 2017 – Senate Judiciary Committee**

Dear Senator Jackson,

The California State Association of Counties (CSAC) is pleased to support Assembly Bill 1401, by Assembly Member Brian Maienschein. This measure, as amended, would make changes to the issuance of protective custody warrants.

Under existing law, the juvenile court is allowed to order the removal of a child from his or her home when a petition is filed simultaneously, or if social workers investigate child abuse and neglect and find that there is imminent danger or bodily harm. There is some ambiguity in existing law regarding the issue of obtaining warrants without filing a petition. Some courts will issue warrants without a petition, because they believe that authority is inherent in their judicial powers to protect the interests of a minor. However, in some counties, judges will not do so without a warrant.

AB 1401 would clarify this ambiguity by allowing social workers, under certain circumstances, to seek a court order to remove a child without filing a petition while still retaining the judge's discretion as to whether a warrant is appropriate or needed as a precondition. This bill would provide an additional tool for social workers and help to protect vulnerable children.

It is for these reasons that CSAC supports AB 1401 and respectfully requests your **AYE** vote. Should you have any questions regarding our position please do not hesitate to contact me at dkernan@counties.org or 916.650.8131.

Sincerely,
