**RE: Support for Assembly Bill 376 (Stone) - Student loans**

Dear Assemblymember Stone,

California Association of Nonprofits (CalNonprofits), a statewide policy alliance of more than 10,000 organizations, is the voice for California's nonprofit community. Through our advocacy work, we protect and enhance the ability of California's nonprofits to serve our state, the nation and the world. Thank you for introducing Assembly Bill 376 which would better protect student loan borrowers in California.

CalNonprofits conducted a survey in 2016, *Student Debt and the Nonprofit Workforce* [Student Debt and the Nonprofit Workforce](#) and found that student debt is hurting recruitment, retention and diversity in the nonprofit workforce. In fact, of the nearly 1,000 employees surveyed, 23 percent have debt of \$90,000 or greater. An estimated 160,000 nonprofit employees in California alone carry student debt.

CalNonprofits supported your previous bills, AB 2251 and AB 38, and AB 376 will build upon these to further ensure that student loan borrowers are given reliable information, quality customer service, and meaningful access to repayment and forgiveness programs.

CalNonprofits is pleased to support AB 376 because it will protect student loan borrowers by increasing student loan servicer accountability.

Sincerely,

Jan Masaoka,  
CEO, California Association of Nonprofits
